5. Scroll down and click the "View all" button.

The screenshot shows a sidebar on the left with navigation options like 'Energy Usage & Cost Details', 'Paperless Billing & Online Payment', 'Energy Savings', 'Moving', and 'Meter Reading'. The main content area displays a table titled 'Account:' with columns for 'Bill Date', 'Electric Usage (kWh)', 'Electric Charges', 'Other Charges', 'Total Charges', and 'Actions'. The table lists 12 months of data from 10/06/2008 to 10/07/2009. At the bottom of the table, there is a navigation bar with '<Previous', '1', '2', 'Next>', and 'View all' buttons. A black arrow points from the 'View all' button in the navigation bar to the 'View all' button in the top right corner of the table header.

6. Compare the current month's kWh number with the same month in the previous year.

The screenshot shows the same energy usage history table as in step 5. Two red boxes are overlaid on the table. The first box, labeled 'This Year: 575 kWh', highlights the row for 10/07/2009. The second box, labeled 'Last Year: 591 kWh', highlights the row for 10/06/2008. Two black arrows originate from the left side of the page: one points from the 'This Year' box to the 10/07/2009 row, and the other points from the 'Last Year' box to the 10/06/2008 row.

6. Go to: <http://www.sirensolar.org/EnergyShowdown.htm> to report this information. If you show the greatest reduction for the year, you will win. Please remember to be careful when entering your usage information. If we think you're the winner, your self-reported information will be checked against the records provided by your utility company. Errors made in your favor may disqualify you from the contest.
